  - A. Any updates on an assembly and Schedule C activities?
    - There is a Schedule C list for SLCS. We can only have a total of 3 clubs per building, whether they are Schedule C or not. This doesn't count safeties, student council and 5<sup>th</sup> grade camp. The Schedule C's for our building are all filled. Code Key and Robotics are Schedule C but teachers do not want those so if we can find a parent to host we can run those programs again.
    - We currently have Girls on the Run so we have room for 2 more.
    - Ideas: robotics, legos, running, book, chess
  - Assemblies
    - Mrs. Rogge sent the Science or Magic preview to the teachers and they love it. There will be two sessions, K-2 and 3-5. It ties into the Scientific Method. Cost is \$700 for 2 back-to-back sessions. \$545 for one session. Date is TBD but most likely will be in May.
  - Mrs. Cooper
    - Kinder welcome event was a success. 51 Kindergarteners signed up. The event was an in person open house where they travelled to different stations, filled out paperwork, explored the school, visited kinder classrooms, saw media center, books, gym. They each were able to sign a certificate and get their picture taken. At past kinder registration we used to have 65-70 but this was a new in person event.
